What is a punch card?

Punch cards are for parents that need Extended Care on a limited basis. You may purchase an 8, 12, or 16 punch pass for before or after school care. This allows you to bring your child on days of your choosing if it is not suitable to utilize full-time care.

What if I want my child to participate in other programs you offer at the Community Center? i.e.) swim lessons, karate, biddy ball etc.

We highly encourage this. We simply ask that you provide your child's Leader with a schedule of their lessons. We will be responsible for getting your child changed, to their lesson, and back as long as it is within the Extended Care Program's hours.
